

Real Dance Studio

Lighthouse Point, FL

Suzanne Citere, started Real Dance Studio 17 years ago and was recently honored as a long-standing business owner in her community.

Because of the COVID-19 pandemic, she was forced to close her dance studio on March 16th. A week later, she started holding dance classes on Zoom.

“This is a close community and there are parents that have lost jobs, and the last thing I wanted was to not provide dance classes to these kids. Thanks to PayPal coming through, the physical doors will stay closed a little longer but it will give the kids and parents something else to focus on.”

The PPP loan will help Real Dance Studio have the income to get through the summer and pay their teachers.

“I have one teacher expecting a baby, others with kids and felt responsible for helping them.”

“It has meant that the thing I have worked my entire life for - my heart and soul - will stay operational. “

“The application was very simple. It seemed too good to be true.”
